

THE TRANSFORMING POWER OF GOD'S WORD

Dear Friend,

Do you remember the first Bible you ever owned? I do. I remember that day clearly. I was 10 years old when I was baptised in the Filadelfia Church in Helsingborg, Sweden. It was a joyous occasion, which I will never forget. After the service my mother presented me with my very first Bible with an inscription:

In memory from mom, April 26, 1953, 1 Tim 6:12

“Fight the good fight of faith, lay hold on eternal life, whereunto thou art also called, and hast professed a good profession before many witnesses.”

I still have that Bible and treasure it dearly. After years of use, it is falling apart and I no longer use it. But it still remains one of my most cherished possessions!

Fortunately, unlike many around the world who still don't have even one Bible, I have many Bibles in my library, and in several different translations and languages.

Knowing how important this Bible has been for my spiritual growth, it saddens me to know that still today numerous unreached ethnic people groups throughout Pakistan have never read God's Word or heard the message of salvation.

*Pastor Amir is desperately asking for Bibles and New Testaments. He has a heart for his unreached fellow countrymen and has a burden to deliver God's Word to every one of the Bibleless communities, giving Muslim seekers the chance to be transformed by the love of Jesus Christ.

Unlike my first Bible that was hand delivered to me by my mom, every Urdu Bible begins its long journey in the trunk of a car. Oftentimes, God is at work in a seeker's heart in the oddest of places!

Pastor Amir writes,

“One day when I took my car for a tune-up, the mechanic opened the trunk and saw it was full of books. He asked me about them. I told him they were Muqadas (Holy Bibles) and Injil-e-Muqadas (Holy Gospels). Hearing this, people in the auto shop came to see. Then an unexpected thing happened. They all asked for a Holy Gospel!”

*Pastor Amir - not his real name

I handed out New Testaments to all of them. It is such a joy for me to see such tremendous hunger among Pakistani men who are starving to learn about Christianity and read the Gospel!"

Although Bibles are not forbidden in Pakistan, it is extremely dangerous to distribute Bibles to Muslims. Amir takes great precaution, and always prays and trusts in the Lord's leading.

Another time while at a bank, Pastor Amir sensed God's leading:

"There was a long line of people so I approached the bank manager for his help. Surprisingly, he led me into his office. As we spoke I felt God prompting me to ask him, 'Have you ever read the Bible?' He told me that he believes in the Bible but had never had the chance to ever read it. So I asked if he would like one. A smile spread across his face, 'I would be so happy to have a Holy Bible!' I rushed to my car, opened the trunk and returned with a shiny New Testament.

EVERYONE DESERVES A CHANCE TO BE TRANSFORMED BY GOD'S WORD!

Praise God that the Word of God can redeem the lost in places like auto repair shops, banks and many other unexpected places.

Our goal is to deliver Bibles and New Testaments throughout Pakistan, to reach the unreached, the lost and the spiritually hungry. Many Muslims have lost hope in Islam and are seeking for truth. Praise God, He is preparing hearts to accept His Word.

What can YOU do to help?

You can invest in Bible distribution to those who don't have one. By doing this you are fulfilling our Lord's command:

"Go ye into all the world, and preach the gospel to every creature. He that believeth and is baptized shall be saved; but he that believeth not shall be damned."

Pastor Amir needs YOU to provide him with Bibles.

It only costs \$6 for one Urdu New Testament.
Thousands are needed.

- \$54 provides God's Word to 9 seekers
- \$72 provides God's Word to 12 seekers
- \$90 provides God's Word to 15 seekers

Today, outreaches are being planned throughout Pakistan.

I hope you will join me in providing Pastor Amir with as many New Testaments as we can.

May the Lord bless you for your generous giving and investment!

Together In His Ministry,

P.S. Please take time to pray for the safe distribution of the Urdu New Testaments in Pakistan, that they reach those whose hearts God has prepared. Pray also for Pastor Amir and his brave team of volunteers who risk arrest, imprisonment, beatings and even death to deliver God's Word.

THERE ARE 235.8 MILLION
PEOPLE IN PAKISTAN.

ONLY 1.5% ARE CHRISTIANS.

YES PAUL,

I want to make an eternal difference in the lives of unreached people in Pakistan by providing them with their first Bible.
